O R D E R

On July 28, 1989, the Commission issued a procedural schedule which established September 22, 1989 as the date on which responses to supplemental data requests and responses to data requests to the Attorney General and non-utility intervenors were due. On September 19, 1989, Cincinnati Bell Telephone Company filed a motion for extension of time to October 13, 1989. Motions for extension of time were also filed by Contel of Kentucky, Inc. on September 21, 1989; AllTel Kentucky, Inc. on September 22, 1989; and GTE South, Inc. on September 22, 1989.

The Commission, being sufficiently advised, is of the opinion that the motions for extension of time should be granted. IT IS THEREFORE ORDERED that the responses to supplemental data requests and responses to data requests to the Attorney General and non-utility intervenors for all parties shall be due October 13, 1989.

The July 28, 1989 procedural schedule established October 5, 1989 as the due date for briefs regarding whether intraLATA competition is in the public interest. The Commission, on its own

motion, HEREBY ORDERS THAT the date for briefs will be set at the conclusion of the hearing addressing whether intraLATA competition is in the public interest.

Done at Frankfort, Kentucky this 22nd day of September, 1989.
